4 Bedroom, 4.00 Bathroom, 2,365 sqft

Residential on 0.07 Acres

Killarney/Glengarry, Calgary, Alberta

A stunning custom built home designed by Dean Thomas and built by Braemyn Construction, this property is a rare gem that stands apart from the typical spec built home. Showcasing a modern brick exterior, it boasts over \$100K in custom, maintenance-free landscaping, including a 400 sq. ft. wood pergola on the rear patio and artificial turf in the backyard—perfect for pets. The home features an irrigation system, exterior yard lighting, and Genstar programmable soffit lighting for year-round ambiance. The upgraded garage includes window, insulation, drywall, and lush summer vines for added charm. Inside, the timeless design flows seamlessly across all four levels. The lower level offers a fully equipped gym with rubber flooring, a glass door, and a mirrored wall, along with a spacious rec area, a full bathroom, a storage closet, and a bedroom with a large concrete window well. The main floor is bathed in natural light, featuring white oak hardwood, an open-concept layout, Lutron dimmers, a reverse osmosis water tap, a garburator, and an upgraded Wolf gas stove. The kitchen is thoughtfully designed with extensive cabinetry, dovetail wood drawers, and sliding glass patio doors leading to the beautifully landscaped yard. The second level includes two well-sized bedrooms, a full laundry room, a flex space, and a Jack-and-Jill bathroom. The top level is dedicated to the luxurious primary suite, complete with a private patio offering stunning downtown views, a

spacious walk-in closet, and a spa-like en-suite with heated floors. Additional upgrades include central A/C, a water softener, full window treatments, and a Vac-u-flow system. Nestled on a quiet, tree-lined street adorned with mature elm trees, this exceptional home offers both luxury and comfort in a truly desirable location.
