5 Bedroom, 3.00 Bathroom, 1,041 sqft
Residential on 0.12 Acres

Brentwood, Calgary, Alberta

Whether you're searching for the ideal revenue property or a multi-generational home, this registered legal secondary suite home is a must see. Located on a beautiful tree-lined street on a corner lot, this property combines charm, functionality and thoughtful upgrades. Inside, you'll appreciate the fresh paint throughout and beautiful hardwood floors in the living room, highlighted by a large east-facing bay window that brings in great morning light. The kitchen has been upgraded with quality cabinetry, quartz countertops, stylish backsplash, added pantry storage and more. Just off the kitchen is the main-level laundry with a niche space featuring under-cabinet lighting that offers versatility for use as a desk area, coffee bar or additional storage. Upstairs you'll find three well-sized bedrooms including a spacious primary suite. The upper-level hallway and all bedrooms also feature hardwood flooring. One of the additional bedrooms includes a custom wall bed for added flexibility. The 4-piece bathroom has been beautifully updated with dual sinks, floor-to-ceiling tile, heated flooring and plenty of built-in storage. Access to the lower suite is currently open for viewing ease and potential but can be closed off prior to possession. The lower level is a bright walkout with a secure separate entry from the back of the home. It features a stunning renovated kitchen and a large recreation space with more hardwood flooring and big east and west-facing windows. There's also a

renovated 2-piece bathroom and a bonus area perfect for a bedroom or den. Down the hall, youâ€™ll find a huge fifth bedroom with heated tile floors that continue into the fully renovated 3-piece bathroom. The basement also includes its own laundry, a large storage closet and access to a clean insulated crawl space for extra storage via a convenient access door. This home has been upgraded in all the right ways including air conditioning, vinyl windows, two high-efficiency furnaces (2020), upgraded electrical panels with 220V service (2015/2016), tankless hot water heater (2024) and heated flooring in both the upstairs and basement bathrooms. The sewer line has been replaced with a trenchless epoxy sleeve system that seals cracks and prevents future tree root intrusion eliminating the need for annual augering. The basement bedroom ceiling has been soundproofed with double drywall and acoustic channeling and a backflow prevention valve has been installed in the mechanical room for peace of mind. Outside, the backyard features custom interlocking brick throughout, a triangular raised bed along the fence, a large parking pad and a double detached garage. This is a well-rounded property in a fantastic location within walking distance to parks, pathways, shopping and schools.
