Welcome to LOFT HOUSE – a standout contemporary home that blends upscale design with everyday functionality in one of the city’s most sought-after neighborhoods - West Hillhurst.

From the striking wood front door to the 10-foot coffered ceilings and wide-plank white oak floors, every detail feels intentional and refined. Designer lighting, expansive windows, and open-concept living spaces create an effortlessly stylish atmosphere.

The front dining room is perfect for hosting, while the chef’s kitchen takes center stage with a massive island, high-end appliances, and direct flow into the great room featuring custom built-ins and a sleek gas fireplace.

Upstairs, the layout is both smart and spacious, with three bedrooms, a modern family bath, and a laundry room with built-in sink. The primary suite is a true retreat with custom walk-in closet, and a spa-like ensuite with double vanities, a soaker tub, and a separate glass shower.

The fully finished basement adds even more versatility with a fourth bedroom, a large rec/media room with a wet bar, an oversized steam shower, and rough-in for in-floor heating.

and appreciate extras like solar panels, air conditioning, custom silhouette blinds, upgraded fixtures, and built-in speakers.
