OPEN HOUSE SUNDAY AUG 31,
11:00am-1:00pm ***INCREDIBLE UPDATED
PRICE*** Welcome to Elgin Park! A
FULLY-FINISHED home for a growing family
awaits with 4 bedrooms up, a 5th below, and
an OVERSIZED double car garage with
CENTRAL A/C! Located on a cozy street
brimming with life this beautiful property has
everything youâ€™ve been looking for with its
over 2900 sq/ft of developed living space!
Featuring a layout unlike the rest, the main
floor begins with a separate living room (aka
bonus room) at the front of the home
separated from the rest of the floor. Usually 4
bedroom homes are lacking this coveted
space but not here! Moving along, a more
traditional layout is presented; A stylish kitchen
featuring crisp white quartz countertops
contrasted with rich wood cabinets, a central
island with sink and room for 2 to sit, side
coffee station, and a separate pantry to keep
everything tucked away. Next to it, a spacious
living room complete with fireplace, then a
dedicated dining room extends towards the
backyard and offers a full view thanks to its
massive picture window. Take a step outside
and youâ€™ll find a HUGE DECK spanning
the back side of the home, while still offering
enough yard to play in that wonderful green
grass. Back inside, the main floor is finished
with a laundry room and a 2-pc bathroom.

Head upstairs and find the primary bedroom
that overlooks the back yard and offering

enough room for a king size bed. Its 4 pc ensuite has just been RENOVATED and features a separate JETTED corner soaker bathtub, enclosed toilet/water closet, and a walk-in closet. At the other end of this upper floor a second large bedroom is found, also large enough for a king size bed, this time overlooking the front of the home and featuring its own BALCONY - a unique feature rarely found. This bedroom would be ideal for an adolescent, adult or even used as a flex place/office/bonus room. Two more bedrooms complete this level along with a shared 4-pc bathroom.

The fully finished basement doesn't disappoint offering not only a huge rec room/games area with INCLUDED Projector & Screen, but also a perfect space for WET-BAR (a rough-in for a sink is located on the south wall), a 5TH BEDROOM and another FULL BATHROOM.

Finally, the recently built garage is the perfect compliment to the property. This OVERSIZED DOUBLE not only fits full sized vehicles with room to spare but has been finished with composite siding ensuring long lasting weather resistance for many years to come! RECENT PROPERTY MAINTENANCE INCLUDES: New Roof 2021, New Furnace 2024, New Hot Water Tank 2025.

Only 4 houses away, be sure to visit DRAGON PARK with your kids, a playground with field that's always full of neighbourhood kids playing, and couple blocks to the north the pathways around Elgin's lake offer a relaxing water's edge stroll before giving way to the many shops/stores of McKenzie Town Square. We can't wait for you to see what could be your new home!
